

Highly Skilled E-Commerce Integration Specialist and ERP Administrator (Fluent in German)

(m/f/d) – Full-time, Monday to Friday

Location

JLT, Cluster C, Dubai, UAE

Job Type

Full-time, Monday to Friday

Salary

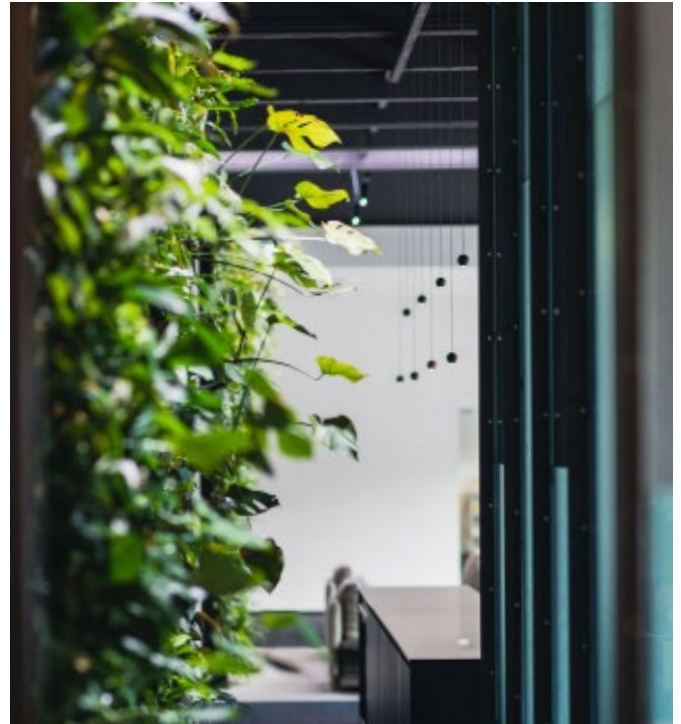

Permanent Salary starting from 8,000.00 AED per month
(based on qualifications and experience)

Company

As an innovative and dynamic small business at the heart of Jumeirah Lakes Towers (JLT), we are committed to growth and technological innovation. We are seeking an experienced E-Commerce Integration Specialist and ERP Administrator to drive the development of our online sales channels, enhance our operational capabilities, and integrate cutting-edge technologies.

Job Description

In this role, you will lead the integration of our ERP system with e-commerce platforms, ensuring seamless digital storefront operations while implementing AI-driven tools to enhance customer interaction and operational efficiency. You will play a pivotal role in driving our online growth strategy, making your expertise in e-commerce and ERP systems vital to our success.

Questions & Application

To apply, please submit your resume and a cover letter detailing your relevant experience and qualifications. We look forward to reviewing your application and potentially welcoming you to our team.

Highly Skilled E-Commerce Integration Specialist and ERP Administrator (Fluent in German)

(m/f/d) – Full-time, Monday to Friday

Your Responsibilities:

E-Commerce Development and Integration:

- Design, develop, and manage our webshop and e-commerce platforms.
- Integrate the e-commerce platform with the Ap+ ERP system to streamline sales and inventory processes.
- Implement payment gateways, product catalogs, and automated workflows for online sales.

AI and Customer Interaction:

- Deploy AI chatbot solutions (e.g., ChatGPT) to enhance customer support and engagement.
- Integrate AI-driven recommendations and automation into the e-commerce platform for a personalized shopping experience.

ERP System Administration:

- Monitor, maintain, and optimize the Ap+ ERP system for optimal performance.
- Develop custom scripts and tools using programming languages like .NET, C#, and SQL to enhance ERP and e-commerce functionality.

Sales Process Optimization:

- Collaborate with the sales and operations teams to streamline processes, reduce manual workloads, and enhance data-driven decision-making.
- Ensure data accuracy across CRM, ERP, and e-commerce platforms.

Performance Monitoring and Analytics:

- Track and analyze e-commerce performance metrics to identify growth opportunities.
- Generate reports and insights to support strategic decision-making.

Your Requirements:

- Proven experience in e-commerce platform development and integration (e.g., Shopify, WooCommerce, Magento).
- Strong knowledge of ERP systems (preferably Ap+) and their integration with online sales channels.
- Fluent in German (written and spoken) is mandatory
- Fluency in English, both written and spoken
- Proficiency in web technologies (HTML, CSS, JavaScript) and programming languages (.NET, C#, VB.NET, SQL).
- Experience with AI chatbot technologies and emerging GPT models is a plus. Proficiency in Microsoft Office Suite, with advanced skills in Excel being a plus.
- High level of precision combined with flexibility and adaptability to changing demands.
- Exceptional organizational skills to excel in a dynamic and fast-paced environment.
- A Bachelor's degree or higher in Computer Science, Business Administration, or a related field.
- Applications from junior candidates with relevant technical skills are also welcome.

Your Benefits:

- Full-time job, Monday to Friday, providing a work-life balance.
- Competitive permanent salary from 8,000.00 AED per month.
- Access to a modern office environment equipped with the latest hardware and software.
- Convenient public accessibility, with a nearby metro station.
- Opportunity to work in an innovative, dynamic, and growth-oriented small team company.
- Long-term career prospects with room for professional development and advancement.
